How to:

# Before you start

# Before you get started:

- 1 This is a one time only set-up. Please [contact](#) your Coursera for Business rep to obtain the following credentials:
  - Client ID and Secret
  - Organization ID
  - Program Slug(s)
- 2 Log in on Coursera.org with your Coursera Admin API credentials. Account credentials will look like [sa+<companyname>@coursera.org].
- 3 Add Redirect URI: login to Coursera, navigate to the [API application page](#), and enter the LinkedIn URI (see image below) [<https://www.linkedin.com/xauth/completeAuth>]

The image shows a screenshot of the Coursera Admin API application page. It features a form with the following fields:

<b>Client ID</b>	[Redacted]
<b>Secret Key</b>	[Redacted]
<b>Auth Method</b>	OAuth2
<b>Redirect URIs</b>	<input type="text" value="https://www.linkedin.com/xauth/completeAuth"/>

The Redirect URIs field is highlighted with a red border.

- 4 It can take up to 48-hours for new partner content to populate within Learning Hub. You will receive an email when the content is ready.

Note: Learners will need to log in to Coursera.org the first time to activate the integration.

How to:

# Set up Coursera for Business

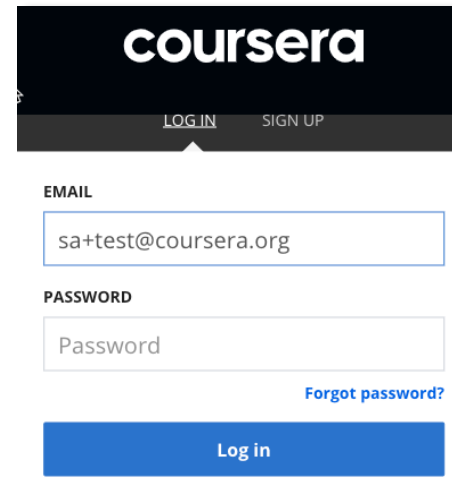

# Integrate your content subscriptions

- 1 In LinkedIn Learning Admin, go to your name and select Integrate from the dropdown.
- 2 Select "Add content partners" from the left rail.
- 3 Select 'Coursera' from the list.

## BEFORE YOU GET STARTED:

Please log in with your Coursera API credentials on Coursera.org (example below). If you need help identifying your credentials, contact [clientsupport@coursera.org](mailto:clientsupport@coursera.org).

The screenshot shows the Coursera login page. At the top, the Coursera logo is displayed in white on a black background. Below the logo, there are two links: "LOG IN" and "SIGN UP". The "LOG IN" link is highlighted with a white arrow. Below the links, there are two input fields: "EMAIL" and "PASSWORD". The "EMAIL" field contains the text "sa+test@coursera.org". The "PASSWORD" field contains the text "Password". Below the "PASSWORD" field, there is a link that says "Forgot password?". At the bottom of the form, there is a blue button that says "Log in".

How to:

# Manage Licenses

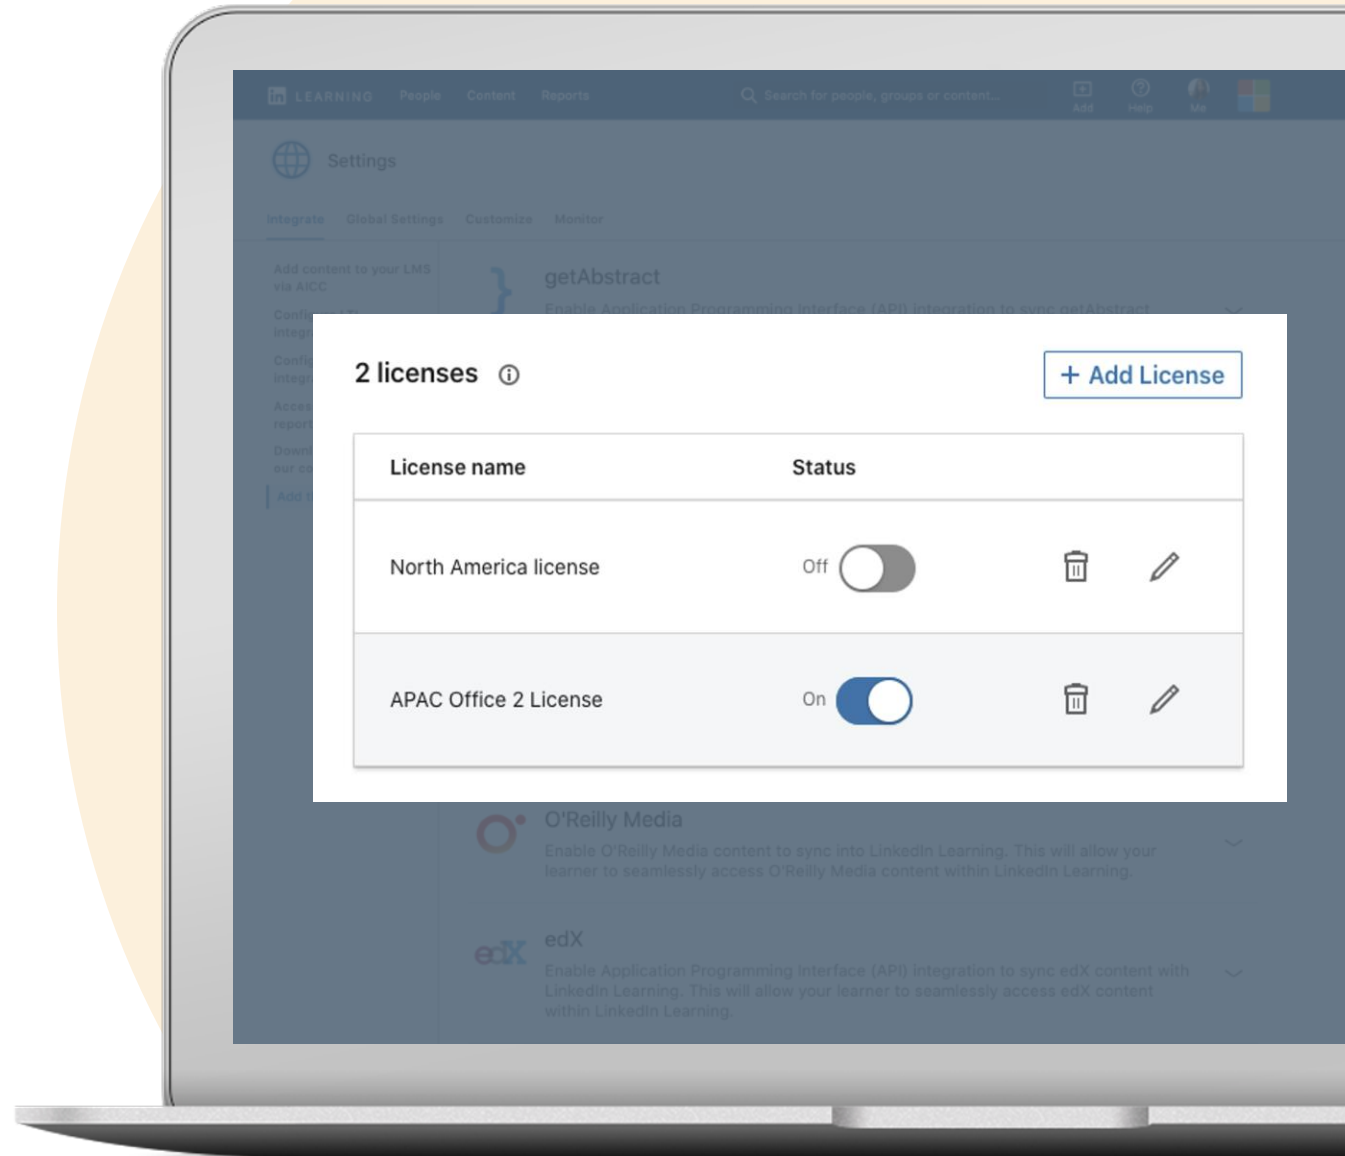

# Disable a license

If you would like to temporarily put your LinkedIn Learning Hub integration with a content partner on hold, you can choose to disable it by turning it off.

Please note that disabling a license does not delete the integration.

# Delete a license

If you would like to remove a content partner from LinkedIn Learning Hub permanently, you have the option to delete your license(s).

You will no longer see any of the partner content in your account and learners will no longer be able to consume the content.
