9 Ways L&D is Leading with Learning Today and Tomorrow

5 Ways that L&D Has Changed Since COVID-19

1. 
Entrepreneurs turned to learning to help them pivot to digital on a dime. 

2. 
Social learning will be a big part of learning in the post-COVID world.

3. 
Social learning will continue, even when employees return to the workplace.

4. 
Instructor-Led Training (ILT) will return.

5. 
A strategic view of learning management.
